BOOK SYNOPSIS

I love slow cooking. You do a bit of work at the beginning, and then you simply let it go. Your home fills with delicious smells as the crockpot does its magic. When meal time comes around, not only does your world resonate with delicious aromas, but the meal itself is melded and tasty. It's ideal. Best of all, once you master a few basic skills, the sky is the limit. You can mix up ingredients, spices, and styles in near-infinite abandon. Also, it often means you can cook once and then be set for several days. It ends up saving you time in a multitude of ways. Learn to master the art of slow cooking! Version Note: This is an early version of this slow-cook crockpot book. It currently has 7 recipes in it. We slow cook all the time, so the question is what versions of recipes to put in here, out of the many options. Let us know what combinations you'd like to see! We'll test it out, send you the recipe we develop, and update the book. So along with this ebook you get personalized recipe creation, custom low carb support, plus eternally updated versions of this book as it grows! So, to confirm this again - if you get this in ebook form, you'll automatically get the updated version available for free! The book also contains an appendix set of helpful background information and success tips on managing a low carb diet.
