## **BOOK SYNOPSIS**

Donna Dale Carnegie, daughter of the late motivational author and teacher Dale Carnegie, brings her father's time-tested, invaluable lessons to the newest generation of young women on their way to becoming savvy, self-assured friends and leaders. *How to Win Friends and Influence People for Teen Girls* offers concrete advice on teen topics such as peer pressure, gossip, and popularity. Teen girls will learn the most powerful ways to influence others, defuse arguments, admit mistakes, and make self-defining choices. The Carnegie techniques promote clear and constructive communication, praise rather than criticism, emotional sensitivity, tolerance, and a positive attitude—important skills for every girl to develop at an early age. Of course, no book for teen girls would be complete without taking a look at how to maintain friendships with boys and deal with commitment issues and break-ups with boyfriends. Carnegie also provides solid advice for older teens beginning to explore their influence in the adult world, such as driving and handling college interviews. Full of fun quizzes, “reality check” sections, and true-life examples, *How to Win Friends and Influence People for Teen Girls* offers every teenage girl candid, insightful, and timely advice on how to influence friends in a positive manner.
