BOOK SYNOPSIS

We've all been there. We put down our fork, are ready to get up from the table and all of sudden we blurt out, Just One More Bite! Yes, it's our way of saying, It was so good I just can't get enough! This cookbook is an amazing collection of recipes that are so good you just can't get enough of them. Maybe you're so full you just can't eat any more, but you make an exception for that last bite? Or, you plan ahead and save room for one more serving. Or, you split the last piece rather than fighting over it you know when something has that irresistible taste that you just can't say no to. This book will include those recipes—the ones that are the first to go when you take them to a potluck party or friend's house. (And you can be sure you'll always come home with an empty platter along with a bunch of recipe requests.) Remember last Thanksgiving when you had to loosen your belt, and even though you couldn't eat another bite, you asked Uncle Joe to pass the mashed potatoes cause you hated to see them go to waste? This book has many of our favorite holiday recipes that make getting up from the table without asking for seconds practically impossible. We will also share favorite family recipes from our readers, viewers, and even our own Team Members, that have them asking for seconds as well as the stories behind the recipes. Have you ever eaten just one deviled egg? Not if they were the ones my sister Laurie brings to all the family get-togethers, says Harriet S. of Santa Clara, California. Besides more than 150 triple-tested recipes and mouthwatering full-color photography throughout the book, we will include lots of hints and tips from the Mr. Food Test Kitchen. Chapters will include everything from Amazing Appetizers and Mouthwatering Main Dishes to Scrumptious Sides, and, of course, Delectable Desserts.
