BOOK SYNOPSIS

Employing the central integrative theme of power, *POWER AND SOCIETY*, 14th Edition, introduces you to each of the social sciences and demonstrates how they differ in their focus and methods. It also presents an interdisciplinary viewpoint to illustrate the nature and uses of power in society. This compelling book will stimulate your interest in the social sciences as it explores some of the central challenges facing American society, such as ideological conflict, racism and sexism, poverty and powerlessness, crime and violence, community problems, and international relations. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
