BOOK SYNOPSIS

A clear, illustrated guide to making sourdough and the Italian-inspired café dishes from one of Manhattan's best bakeries. Ten years ago, Jim Lahey's no-knead recipes in *My Bread* caused a home-baking renaissance. In this long-awaited sequel, we turn to the Sullivan Street Bakery, which opened more than twenty years ago in New York's Soho. The Sullivan Street Bakery Cookbook introduces home bakers to sourdough versions of the pugliese, brioche, and multigrani for which the bakery is known. This includes a step-by-step guide to making sourdough starter—called biga—from the bloom that appears on fresh organic produce. In addition, The Sullivan Street Bakery Cookbook provides recipes for easy and elegant Italian-inspired food. This includes Lahey's irresistible egg dishes, innovative sandwiches, salads and pizzas, simple Italian cookies, cornetti and crostatas, as well as his coveted recipe for panettone. An essential book for home bakers and lovers of Italian food, The Sullivan Street Bakery Cookbook will bring Lahey's baking expertise to homes across America.

THE SULLIVAN STREET BAKERY COOKBOOK - Are you looking for Ebook The Sullivan Street Bakery Cookbook? You will be glad to know that right now The Sullivan Street Bakery Cookbook is available on our online library.
